So long as you mean 3:30 in the afternoon AK time :-), that should work for me.

Hi Katherine: I was thinking more like 3:30 Alaska time on the 9th?

Hi Rob! My availability November 9 depends on the time, but we should be able to work something out. When did you have in mind?

Hi Katherine:

Excellent. This sounds great. I appreciate the update. I had a good

talk
with Jim Woods a few weeks ago. I imagine you have already been in
contact. Let's catch up sometime soon.

Perhaps after the Nov 9th Council meeting.

Are you available on Nov 9th if President Frank Standifer III and I
want
to give you a quick call?

Best wishes

Rob

Hi Rob!

While we didn't take any "minutes" at this meeting, I did take some
notes sufficient for a summary of what was discussed and agreed upon.
We should be able to get this to you in time for the November 9
Council
meeting. As you know, Rick Parkin and President Standifer agreed to
additional consultation meetings as appropriate, at key decision
points
where there are opportunities for meaningful input and dialogue. And
we
are working on a fact sheet summarizing EPA's roles and
responsibilities
in the project, and at what points within the processes we believe
meaningful consultation can occur, as well as getting an MOU
development
workgroup and materials together. Although this has taken longer
than
anticipated, we do expect to complete the fact sheet soon, and to be
able to bring you into the workgroup and to make substantial progress
in
November. Please feel free to give me a call if you have any
questions.
I hope you're well, and I look forward to talking with you again
soon.

Sincerely,

Katherine Brown, M.S.
